

AGENT PARTNERS

We want to partner with the best trained and most experienced telecom professionals in the business. If you are a Master Agent with a significant base and have to use multiple carriers and technologies to meet your clients needs, IPitimi can help. By offering a broad range of products you can increase your win rate and lower your support and management costs by partnering with us. IPitimi offers a comprehensive product portfolio that meets even your most demanding business prospects needs.

Our size allows us to have top-level commissions and offer a global footprint, which gives you the flexibility that you need for your customers, wherever they may be. Our back-office staff is made up of experienced and dedicated professionals who ensure your customers are well taken care of. Additionally, our Agents receive ongoing support from experienced Agent managers who understand the Agent business model.

With IPitimi, offer more than just a product, offer ongoing world-class service.

We offer:

- ☑ Fully Hosted IP PBX
- ☑ Customizable Auto Attendant/IVR
- ☑ Hosted Call Center
- ☑ Wholesale Origination/Termination
- ☑ The most features available in the industry
- ☑ SIP Trunks, Certified with Microsoft Lync, Avaya, Cisco and more...
- ☑ Unlimited Footprint. Offer services over any broadband connection, anywhere in the world.
- ☑ Unlimited Earning Potential.

Become part of an innovative and rapidly growing revolution in Telecommunications with IPitimi VoIP.
